
DIF
YOU GATEWAY TO BUSINESS EXCELLENCE

Introduction

The DIF team was established in 2018. Our company specializes in simplifying and accelerating the expansion of both global and local businesses into new markets.

We provide investment and commercial solutions, including partnership building, commercial expansion, business growth, investment, and consulting.

Through comprehensive end-to-end solutions, along with logistical and operational support, we ensure smooth and successful implementation—allowing companies to focus on growth, improve efficiency, and achieve sustainability.

Our Values

About us

DIF is your strategic partner in investment and strategic consulting
We provide integrated services, from execution to building partnerships, through which we develop strategic plans to achieve sustainable growth.

What makes us different

Integrated solutions tailored to meet evolving business needs

Effective execution with the client, from consultation to implementation

A strategic vision with well-studied decisions based on plans that focus on results

Project Management

Project execution and knowledge transfer after the consulting role ends, ensuring the project continues and leaves a sustainable impact.

Business Services

1. Business Expansion Partnership Development
2. Logistics and Operational Services

Integrated Solutions

1. Investment Consulting
2. Strategic and Executive Consulting
3. Communication Consulting

DIF – From a clear strategic vision to execution that achieves sustainability

Our Vision & Mission

Our Vision

To be a leading model in guiding both local and international investors toward success, growth, and sustainability in the Saudi market by leveraging cutting-edge technologies, world-class services, and the highest quality standards.

Our Mission

We streamline commercial and investment operations by identifying opportunities, connecting businesses with the right partners and talent, and supporting them beyond initial setup. We assist our clients in establishing strong market relationships, completing necessary procedures, and enabling them to achieve their business goals and long-term growth.

Our Services

Manufacturing Facilities

Expand the number of manufacturing facilities in Saudi Arabia.

Number of Companies

Increase the number of companies operating in the Saudi market

Business Growth

Drive sustainable business growth.

Our
Goals

Economic Diversification

Promote economic diversification beyond oil dependency.

Partnerships

Strengthen partnerships to enhance service delivery.

Expert Consulting

Provide expert consulting to support companies in achieving their business objectives.

Business Solutions

Public Relations and Strategic Networking

We build valuable connections with clients, government entities, and industry stakeholders to drive business growth and visibility.

Business Consulting

We offer strategic guidance through expert consultants, providing market entry assessments, feasibility studies, legal evaluations, and business contract drafting

Certifications and Accreditations

We handle the process of securing necessary accreditations and approvals, ensuring compliance with industry standards.

Industrial and Operational Services

Industrial Services

We support industrial growth by managing licensing, customs exemptions, workforce endorsements, and Industry Incentive and support for Industry 4.0 integration.

Logistics Services

We provide seamless logistics solutions, including mobilization, demobilization, supply chain management, and operational support.

Export Services

We simplify export processes by facilitating product and service exports, ensuring compliance with global trade regulations.

Specialized Services

Government Services

We manage all governmental procedures, including company formation, licensing, tax registration, and document authentication with key authorities. Our expertise ensures seamless handling of foreign ownership, cost estimation, and national address registration.

Workforce Solutions

We provide recruitment and workforce management, including Saudization compliance, employee registration, and skilled labor sourcing.

Hospitality and Events Management

We deliver event planning and hospitality solutions, including venue selection, setup, guest services, and on-site support.
